ernment, by reason of his supervisin the various departments of the city. By doing so it will save the taxpayers several thousand dollars per year by having all departments working together with some system; otherwise the city affairs would he neglected and left to run themselves. It was my intention at the end of my term of office to recommend to you gen tlemen of the council to restore the may or's salary to the amount as prescribed by law, the same to commence with my suc-cessor. I presume the action of you gentlemen in regard to this matter was prompted by the additional duties placed on me by the withdrawal of the police

ommissioners by the governor.
The combined salary of the three police ommissioners was \$116 per month, for the government of the police force only. City Council Met in Adjourned The termer duties of the police commissioners now devolve on me, without any the advance in salary, which is \$33.55, for which they, the commissioners, received fills. But inasmuch as the salary of the assumed the duties of the office (which, in my opinion, should be at least \$2,000 per year, from the amount of work and responsibility attached to the office), I of \$33.33 which you have allowed I now force during my term.

the arduous duties which devolve upon

It was in keeping with Finlay Ross, expect of him. He has been the most conscientious mayor this city has ever had and has always been on the outlook to economize without impairing the city's Mr. Herbig said that the new company service. He was greeted with liberal apuid the old company rental in the sum of phuse by all of the councilmen and the \$20. He referred to Mr. Ward who had spectators present after he had read his ultimatum regarding the disposal of his laugh was created. Mr. Herbig said that additional salary. The fact that he has he had ben informed by either Mr. Scott designated that the additional \$400 be emor Mr. Ward to that effect. Mr. Ward ployed in beautifying the parks was a humane act, which will be twofold if not more. It will make the park more pleas-City Attorney Adams told Mr. Volk if ont for working people and it will give

Plan to Bring the Fight on Express Companies From

TOPEKA TO

No Session of Topeka Court Till in February.

It is probable that Kansas' fight against the express companies on the revenue stamp quarrel will be transferred from mayor was only \$50 per month when I Topeka to Wichita. Nothing definite is known in regard to the matter yet and none of the federal court officials here will say anything, but in all probability shall only accept the same as I have received heretofore, the additional increase Leavenworth agents now under arrest for is they left all but a remembrance of violating the law by making patrons pay nstruct the city clerk when making out | for the revenue stamp that have to go the warrants for the pay roll that he on receipts, etc., will be released and the make out two warrants for the mayor's fight transferred to Wichita has some salary, one for \$50, the other for \$33.33. foundation. The reason for this, if such the warrant for \$33.33 to be turned over to a step is taken, will be to get at a test the city treasurer and placed by bim in of the law in a shorter time. It will take the park fund for labor or additional several months to test the matter in the labor in the parks, the same to remain in Topeka court. The next regular session where such a fight could be completed Such a magnanimous act as Mayor Ross | will not occur until next February, seven did last night is unheard of in mumcipal months away, by which time it is probaffairs and stamps him as one who, while able that the necessity for the operation giving all of his time for the welfare of of the law will be about removed. The the city, also goes into his pocket and regular session for Wichita will come in gives the additional money which every. September, only two months away, and one felt that he was entitled to have for by bringing the matter here a decision Salina and Atchison are neck and neck

> It is probable that if this is done the warrants will be served on the express Salina ...... 3 companies' men here the latter part of this week or early next week.

Meanwhile the contention goes on, and the Ill feeling toward the companies grows stronger. Many of the merchants who have heretofore made light shipments by express have quit entirely, and others threaten to do so, while all are anxious for the quickest trial of the question in the courts that is possible.

### SALE OF NEWSPAPERS

Is Legitimate Business Entitled to

Police Protection. The sale of newspapers upon the streets has been judicially recognized as a legi-timate business by a court of Washington, and therefore it is held that persons who are engaged in it are entitled to the protection of the police. It is even held that and that the conductors have no right to panies \$5.000 to learn this new principle of civil rights. One o fthe conductors of the off his car. It was shown that the boy was not trying to steal a ride, but was pursuing his vocation in a peaceable and proper manner. His leg was run over by a car coming from the opposite direc-

discouraged, went to a large stock yards and there in one afternoon got together a classified assortment of odors which took the blue ribon and all the gate re-

The Wichita Union stock yards are not hot weather, manage to accumulate from the combined cattle, bog, sneep and dear animal receipts as gorgeous an array of antiquated smells as any stock yards anywhere. But yesterday the ultimatum was reached, and another basic element was added to this diversified collection. In an evil hour the force was notified to get ready; that six double-decks of Augora goals were due at the yards, to be un-loaded for yardage, feed, rest and water The goars got the feed and water, and the commission men, outside buyers and ship-

The rest was a dark-brown, rich, July, hot-weather smell, the strength of which was sufficient to lift the national debt.

The goats, with their meek, unassuming and main, and whickers), stayed most of the afternoon, and smanated from themselves such an olfactory disturbance as would remind one of an overworked tannery. Finally they left-that their having been there. This memory "hangs o'er it still," and is liable to for a day or two, unless the putrid creek o the other daily receipts of varied smells beats it out and holds it own,

# LOST ON ERRORS

SALINA STILL IN THE LEAD

Bevis Pitched a Good Game Bu Couldn't Do it All,

Misery loves company. Wichita is still tied with Topeka for last place, while can be reached a great deal earlier and for first honors. The official standing is

Atchison ..... Topeka ..... 3

Salina took the third game from the home boys yesterday afternoon by a score of 8 to 2. It was a pitchers' battle be twoen Kid Bevis and Cooper. Bevis had a shade the better of the deal, holding the hard hitters down to four hits, and one of them was a scratch. Bevis playsupport would have won. It was too had, \$2.50 aplece, at Tic. but he never wavered, hoping against hope until Randolph made a sonsational ene-handed running eatch of a hard line hit from off Rose's bat. He doubled Montgomery, who thought, like every one else, that it was good for two bases. Be newshoys may enter street cars for the sides pitching great ball Bovis fielded his purpose of serving papers to passengers, position well and got one of the five hits. For seven innings the score stood 3 to eject them so long as they conduct them- in favor of Salina, but in the eighth the Wichitas went up in the air and it was this office, to commence August 1st. The as their business is finished. It has cost all off. Hoover made another great catch one of the Washington street railway com | yesterday. Hulburt took care of every thing that went into center field. For the visitors Rothermal and Cole played su perbly, while the whole team did well Cooper pitched a great game and won If there ever was such a thing as luck Salina has got it. The two teams will conclude the series today. Game will commence at 4. Wooliver, the jumping jack coacher, will pitch for Wichita and Freeland for Salina. The official score:
